PROFESSIONAL EXPERIENCE

Marketing Officer
Coastal Lakes College
January 2022 - January 2023

Manage all marketing, communications and events for a new college in the Mandurah region.

- Developed the college website, overseeing the expansion into senior school.
- Expanded and designed all in-house documents for stakeholders and the community. Resulted in easier access to information for all parties.
- Established a college Instagram. This increased the college's web presence and broadened the audience online to include current and future students.
- Negotiated funding for end of year awards. This allowed for an increased number of awards as well as their value.

Accreditation Manager
Royal Horticultural Society, UK
January 2019 - December 2019

Responsible for the access to 5 world renowned flower shows. Providing access to 42,000 individuals across individual show sites.

- Pioneered the Accreditation Manager role.
- Established operational processes allowing for a seamless transition into the Shows Department.
- Collaborated with external contractors to achieve smooth operation on site.
- Spearheaded the upgrade of data management software, including the designing of the data storage and user experience.
- Supervised and trained all team members, enabling the continuation of company processes while on site.

Freelance Events and Theatre Technician
UK and Perth, WA
April 2015 - September 2021

Various roles across multiple venues, event types and durations.

- Managed a successful freelance career with the ability to comfortably transition between roles.

EDUCATION

Fullstack Coding Bootcamp
University of Western Australia
2023

Bachelor of Arts in Choreography
Falmouth University, UK
2014
